

Anthura®

Creating blooming happiness

Anthurium pot plant assortment

2025 - 2026

For over 85 years, Anthura has been leading in Anthurium and Orchid breeding. Recently we expanded our breeding by including bromeliad.

Through cutting-edge techniques, we breed sustainable varieties that traverse the globe from grower to consumer. Our dedication to high-quality research contributes to a kaleidoscope of colours and shapes, resulting into stronger, more resilient plants.

Our palette of more than 700 varieties is marketed in over 70 countries.

With passionate employees in the Netherlands, Germany, North Macedonia, and China we are driven to reach new heights every day.

In this brochure you will find our Anthurium pot plant assortment.

“At Anthura, we strive every day to present the most beautiful Anthurium pot plants. We achieve this through continuous innovation on all fronts. Whether it's refining efficiency throughout the process, developing sustainable alternatives, or improving product quality, we constantly aim to enhance the market. Together, we make the world a little more beautiful and bring 'blooming happiness' to life.”

Marco van Herk, Commercial Director
